Sir,

In submitting the accompanying re-appropriation statement, I have the honor to state that Rs 1000/- were provided in the Excise Budgets of the past years under the head "Rewards and Secret Service". For the current year under this head Rs 296-12-0 have already been spent But in the printed Budget Estimates lately received in this office for the current year, only Rs 250/- are provided on account of "Rewards and Secret Service". This amount is quite inadequate to meet the expenditure under the above head, seeing that numerous cases of illicit distillation, illicit tapping importation of contraband liquors, &c are being detected every year. Sir,

In submitting the accompanying reappro-priation statement, I have the honor to state that the allotment of Rs 12000/- for travelling allowance of Officers and their establishment shewn in the current year's Excise budget, was sanctioned in the year 1898-99, when there were only three Excise Divisional Officers. Since then Messrs Abdul Aziz and [illegible] joined the department in February and April 1900, respectively. In consequence of constant travelling they and other officers had to do, the actual expenditure under this head rose to Rs. 23940/- during the past year. The expenditure up to the end of November 1901

Magistrates were authorized to grant rewards out of the fines inflicted by them on the accused persons, but under the present new Excise Regulations no such authority is vested in them. Consequently all rewards and secret service expenditure have to be paid departmentally as in the Madras Presidency. Under such circumstances, I beg to solicit that the reappropriation as per accompanying statement may be sanctioned.

But owing to the employment of three more Divisional officers, the aforesaid aggregate amount of Rs 5964/-, out of which the contingent expenses amounting to Rs 1539/- (as noted in the margin) of the Executive staff and the Excise Branch of the Deputy Commissioners' offices have also to be met, has been found to be insufficient, so that the expenditure under the head of contingencies for the past year exceeded the grant by Rs. 7440/- The expenditure for the current year up to date (excluding the amount set apart for the executive staff & Excise Branch of Deputy Commissioners' offices) has risen to Rs 4249-7-2, leaving only a balance of Rs 175-8-10 available for the remaining period of the year.
